For 2 years we work together with AIMS International to set necessary steps on the Saudi Arabian market.

In 2008 AIMS arranged our participation to the SAOGE which was an excellent start in the local market.

Mr. Al Barry Khulgan, President of AIMS Int'l has a promising outlook for Steamloc in Saudi market, because of his excellent network in several companies.

Office location is Al-Khobar and Ms. Shadia Abdullah is to be contacted for all steam related issues.
